EXPERIENCE

RIPHAH INTERNATIONAL COLLEGE

2021-2023

Designing visuals and editing videos for functions. Designed posters, banners, and event materials for college promotions. Created and edited educational and promotional videos for social media and events.

ARISE ABILITY

2022-Present

Designed logos, app screens, and user interfaces for digital education platforms. Helped shape the brand identity and created visual content for online promotion.

COMPUTING SOCIETY

2023

Designed digital flyers, event posters, and certificates for tech events. Collaborated with student teams to maintain a consistent visual style.

PROJECTS

- **Tenka Traditional (Logo Design):**

Designed a cultural and modern logo for a traditional fashion brand.

- **H/&H Enterprises (Logo Design):**

Created a bold and clean logo for a customer service-based company.

- **RentHub (UI Design):**

Designed the complete app interface for a property rental platform.

EDUCATION

NFC-IET Multan

2023-2027

BS in Software Engineering
